

EZ Dupe Pro Series 52X CD High Speed Duplicators

The EZ Dupe Pro series offers several sizes of CD duplicators from 1 to 1 up to 1 to 11. Each drive can copy about 30 CDs per hour. For example the 1 to 4 unit can make up to 120 CDs per hour.

The units are very simple to use and carry a 3 year warranty.

Features:

- Burn approximately 30 650MB CDs per drive per hour at full speed!
- Automatically performs a self-diagnostics test upon boot up
- No cool down period between runs
- Duplicator will automatically recognize format of source discs
- System is upgradeable via firmware
- Innovative HDD partition system creates partitions for CD images
- Copy, Test, Verify, and Compare functions available
- Intuitive user-friendly LCD display
- 3 Year Warranty on parts, labor, and technical support
